

# SOLID ESSENTIAL ONLINE™

## Installation Instructions

**Solid Essential Online is  
Planit's Entry level design and  
manufacturing tool for your business**

### Getting Started:

1. Insert CD into your computer's DVD/CD Drive and allow the program to run

*If the CD doesn't auto run, go to the DVD/CD Drive & select 'SE\_Setup\_English\_Australia.exe'*

2. Follow the installation wizard to install the software

For a step by step guide of the installation wizard,  
visit [www.solidessential.com](http://www.solidessential.com) and click on the 'Need Help' Icon

3. Open the program via the desktop icon

4. Select the 'Buy' or 'Trial' option & complete your details to register

(Note: Internet is required)

5. An email will be sent to you with your authorization codes
6. Click 'OK' and Solid Essential will start up
7. Click Utilities > Authorization Codes > and Enter your unique authorization codes
8. Check out our online training videos – [www.au.planit.com/essentialmovies](http://www.au.planit.com/essentialmovies)
